

## Adult Ministry

Our adult ministries include various Christian education classes - with three adult Sunday School groups, Ladies', Men's and Small Groups.

The goal of Christian Education, whether it be Sunday School or special classes for baptism or membership, is to help us grow in our knowledge and application of the Bible, focussing on a personal relationship with God.

People with a hunger to teach God's Word and/or to disciple new believers will find their faith growing as they minister to others through serving as a facilitator in one of our adult classes or groups.

Our Ladies' and Men's Ministries provide special opportunities for fellowship, personal growth, and outreach into our community.
